Joslin, Aug. 26.—For the first
time in the history of the Rock Is-
land county fair the gates will re-
main open over Saturday, the day
to be given over to a program of
sports and a general good time.
Exhibits will remain in their places
and everything will move along as
during the other days with the ad-
ded special attractions that promise
to make the final day the best of
all.

"It will all be just a lot of fun
—no speeches, just sports and a

general good time," said James A.
Dalley, secretary of the fair, speak-
ing of tomorrow's program. "Things
will get under way about 12:30
and what we have in store for the
people will keep them on their toes
all afternoon.

Mr. Dalley then went on to ex-
plain about the \$75 thoroughbred
Tamworth pig that is to be given
away to the man, woman or child
who can catch and hold it when it
is turned loose with a coating of
grease. "Buck" Sargison, East
Moline motorcycle policeman, will
race one of the airplanes for five
miles and besides this there are to
be foot races, bicycle races, in ad-
dition to the regular vaudeville pro-
gram which includes Toko Murato
in the Jap wire act and slide for
life, the Hill society animal circus,
the Shumate twins in song and
dance, Danny Dreamer in a clog
number and the Moline Harmony
Four. All these acts are under the
direct supervision of Uno Bradley
who also leads in community sing-
ing.

Democratic Candidates Speak.
Interest in the speaking of Dem-
ocratic day was increased by the
announcement of his candidacy for
the Democratic nomination for con-
gressman of the Fourteenth dis-
trict by Andrew Olson, former
mayor of Moline. Peter A. Waller of
Kewanee, candidate for the United
States senate, also spoke briefly.

The second airplane arrived at
the grounds yesterday afternoon.
Both machines will continue to
take up passengers and to perform
the latest stunts.

Break Attendance Record.
Speaking of the attendance, Mr.
Dalley stated that more tickets
were sold Wednesday and Thurs-

day than during the whole week at
any previous fair, so one can read-
ily see that with the completion of
tomorrow's program, the gates will
close on the greatest fair in the
history of the county. Even though
the amphitheatre was doubled in
size this year it could not begin to
accommodate all who wanted seats
yesterday.

EDWARDS VICTIM OF TRAIN WRECK GETTING BETTER

Edward D. Edwards, 1837 Twenty-
sixth street, who was injured when
the Rocky Mountain Limited was
wrecked near Iowa City last Mon-
day morning, is doing well accord-
ing to Mrs. Edwards who visited
with her husband at the Iowa City
hospital where he is confined. Mrs.
Edwards and Mrs. Robert Doyle, a
sister-in-law, left today again for
Iowa City.

Mr. Edwards was thrown against
a table in the diner where he was
seated at the time of the accident.
Two tables were thrown upon him.
Because of his condition physicians
were unable to take an X-ray as
yet. It is believed that he is suf-
fering with fractured or broken
ribs and probably internal injur-
ies in the abdomen.

In the Day's News

Lord Desborough, who is coming
to Canada to preside at the con-
gress of the Chambers of Commerce
of the Empire, to be held at To-
ronto next month, is one of the
most popular figures in British
public life. He has long been a
member of parliament and has
served on numerous important gov-
ernment commissions. But it is as

a true sportsman and athlete that
he is best known to the public.
From the time he was at Harrow
and played with the eleven in 1873,
athletics have attracted him. At

Oxford he was president of the uni-
versity athletic and boating clubs.
After leaving the university he in-
fused in the pastime of Alpine
climbing and later visited the Him-

alayas. He swam across Niagara
on two occasions and completed a
variety of achievements and com-
pleted the punting championships
for three years.
